

# De-Coding the Occult Meaning On John Podesta's Hands

**John “Skippy” David Podesta** (born 8 January 1949) is the former chairman of the 2016 Hillary Clinton presidential campaign. He previously served as chief of staff to President Bill Clinton and Counselor to President Barack Obama

This image was sent by Podesta at least once but up to three times by Podesta in the **Podesta WikiLinks files**, or the **Podesta Emails**.<sup>1</sup> WikiLinks has released thousands of Podesta's Emails... which are being scrutinized by social justice warriors and many others. It should be noted that **Hillary Clinton** is involved in a massive amount of scandals, including the **2012 Benghazi attack** in Lybia that left four Americans killed, and holds the distinction of being the first presidential candidate to be under investigation while running for the White House - as the FBI reopened their investigation into her Email scandal involving top Clinton aide, **Anthony D. Weiner**, a pedophile, and his estranged wife, **Huma Abedin**, Hillary Clinton's lesbian lover.

Now, I'm not going to cover the numerous scandals involving Podesta, the Clintons, or their closest associates in this letter because there is just too much information to cover. John Podesta has been linked, though, along with numerous other popular and public figures to an artist named **Marina Abramović**, who engages in *supposed* artistic acts called "**spirit cooking**" where she mixes blood, urine, semen and the like and paints with it! amongst other things which I don't want to speculate on.

I am not going to discuss in this letter Hillary Clinton's self-proclaimed mentor United States Senator **Robert C. Byrd**, a Democrat, and Exalted Cyclops of his local Ku Klux Klan chapter. Nor am I going to refer to the corrupt self-serving philanthropy and false altruism happening through the Clinton Foundation. Nor am I going to refer to the 'sex slave' scandal that exposed pedophile billionaire **Jeffrey Epstein**.<sup>2</sup>

And I'm not going to refer to the video where Hillary lies for 13 minutes straight to CNN's Anderson Cooper during the Democratic primary debate in Las Vegas in October 2015. Nor shall I refer further to the Benghazi scandal or Hillary Clinton's long-time friend Debbie Wasserman Schultz's controversial exit as chairwoman of the Democratic National Committee after she violated her own party's rules and helped steal the election from Senator Bernie Sanders, the longest-

<sup>1</sup> Mr Podesta is a long-term associate of the Clintons and was President Bill Clinton's Chief of Staff from 1998 until 2001. Mr Podesta also owns the Podesta Group with his brother Tony, a major lobbying firm and is the Chair of the Center for American Progress (CAP), a Washington DC-based think tank. The Podesta brothers and their associates, including "spirit cooking" witch **Marina Abramović**, the Clintons and the Obamas have all been linked to a cannibalistic Satanic Washington pedophile ring - this has become widely known as the "pizzagate" scandal.

Buckingham Palace, too, has been linked to an elite pedophile ring in England.

<sup>2</sup> Flight logs show that from 2001 to 2003, **Bill Clinton** flew 26 times on the pedophile's private jet, deemed the "**Lolita Express**" by the press. Not only Bill Clinton, but **Donald Trump**, **Larry Summers**, **Kevin Spacey**, **Prince Andrew**, and **Naomi Campbell** all hitched rides to the pedophile's private "**Orgy Island**" on Epstein's private planes between the years 1998 and 2007. Epstein, who gave millions to the Clinton Foundation, was arrested in 2008 and convicted of soliciting sex from an underage girl.

serving independent in U.S. congressional history. Just to name a few of the things that I'm not going to cover in this letter.

What I am going to do is deconstruct and discuss the highly occult significance of what John Podesta is saying in this picture - *see image at beginning of this letter*. I am going to be decoding this picture with symbolism, arithmomancy, which is the theological study of arithmetic, and gematria,<sup>3</sup> as well as delving into ritually mystical, spiritual and occult themes.

I'm going to be using the **septuary gematria cipher** for the English alphabet for this letter. So, those of you who do not know this [ ] study at all, please note that there is ton of information in blogs, books, numerous videos and interviews and the like to help you get familiar with the cipher we are going to use hereafter. Everything I am going to present to you in this letter can be confirmed, validated, verified and double-checked yourself. I will present nothing - nothing - that cannot be demonstrably proven if you simply have the ability to spell and do basic arithmetic.

Here we go - lets take a look at the de-occulting of John Podesta.

This picture- *see image at beginning of this letter* - was found on **WikiLinks Archive Email No. 3999**... and you can search it and download it yourself at **WikiLeaks.org**. The place I originally got this picture was from a place called **MicroSpookyLeaks™** on **Twitter**, who as of writing this morning (8 November 2016) had their account suspended by Twitter. Pretty interesting!

So the first thing we're going to do is look at **the number 14 and the human hand**. Your hands are what I consider to be template for universal mathematics - and its a concept that has been covered quite extensively in books and videos. I [Marty Leeds] have a ten-minute video called "**The Mathematics of the Human Body**" if you would like to explore this concept further - in which I show how the mathematics of your hands contain things like the *cycles* and *phases of the moon*, *women's periods* and *menstruation* and *ovulation*, how a calendar can be created with your hands, and how your hands actually reveal the mystical and religious number "seven"... just to name a few things.

So if you notice John Podesta has the number fourteen written on his right hand. Now your hand is actually composed of fourteen phalanges.

The fourteen phalanges of the human hand.

So, you have three phalanges on each finger and two on your thumb, giving you fourteen on your right hand - and fourteen on your left hand - coming together to be twenty-eight. The fish on John Podesta's left

<sup>3</sup> **Gematria** originated as an Assyro-Babylonian-Greek system of alphanumeric code/cipher later adopted into Jewish culture that assigns numerical value to a word/name/phrase in the belief that words or phrases with identical numerical values bear some relation to each other or bear some relation to the number itself as it may apply to Nature, a person's age, the calendar year, or the like.

hand is a reference to the fourteenth letter of the Hebrew alphabet - known as **Nun**.

The fourteenth letter of the Hebrew alphabet - Nun.

The fourteenth letter of the English alphabet is "N," which the word "Nun" actually begins and ends with. And the word "Nun" in Hebrew actually means "fish." So here we have John Podesta with the number fourteen on his right hand - and on his left hand is a "fish" - and the fourteenth letter of the Hebrew alphabet is literally named "fish."

And notice the phonetic agreement of the Hebrew word "Nun" and the English word "none." This is something we'll cover again towards the end of the letter.

The fish is created by what is known in sacred geometry as the **vesica piscis** - or two circles resting on each other's centers.

vesica piscis

two circles resting on each other's centers

Now "vesica piscis" literally translates to the "vessel of the fish." The center (or the "womb") is what is known as the **ichthys fish** - a logo celebrated by the Dogon of West Africa,<sup>4</sup> its found in Islamic art, its even found in a highly esoteric tarot deck, and, of course, its found in Christian iconography with Jesus resting in the center of the womb or the overlap.

Jesus resting in the center of the womb or the "vesica piscis."

<sup>4</sup> According to the Dogon legend the tribe was visited by a race of people called the Nommos, which come from the Sirius system.

The Seed of Life and the Vesica Piscis

If you make the height of the vesica piscis "265" - the width will equal "153" - and  $265 \div 153 = \sqrt{3}$  (the sq. root of 3).

153 in the Fish

265

153

$$265/153 \approx \sqrt{\triangle 3}$$

The number "153" is mentioned in the Holy Bible in the Book of John (John 21:11) where Jesus miraculously caught 153 fish.<sup>5</sup>

The Holy Trinity is yet another esoteric concept shared and celebrated across the known world - and is the one that John Podesta is directly referencing here (with the fish on his left hand). The Trinity is found in Hinduism as Shiva, Brahmin and Vishnu; its found in Scandinavia as Odin, Freya and Thor; its the Father, Son and Holy Spirit in the Christian canon; Jupiter, Juno and Minerva in Roman Mythology; and its found in Ancient Egypt with Isis, Osiris and Horus.

Osiris is known as the god of the afterlife, the underworld and death... but more appropriately he is the god of transition, resurrection and regeneration. The concept of dying and then being reborn, or death and resurrection, is an extremely prevalent theme in myths across the known world and known popularly in the modern parlance, of course, with the story of Jesus and the Passion of Jesus.<sup>6</sup>

The story of Osiris basically goes like this: The enemy of Osiris, Set, cut Osiris into fourteen pieces, put him into a sarcophagus, into the Nile River, and set him adrift. Isis, the mother-goddess of Egypt, went to recover the pieces - but only found thirteen pieces, with the last piece,

<sup>5</sup> The miraculous catch of fish or more traditionally the **Miraculous Draught of Fishes**, is either of two miracles attributed to Jesus in the Canonical gospels. The miracles are reported as taking place years apart from each other, but in both miracles apostles are fishing unsuccessfully in the Sea of Galilee when Jesus tells them to try one more cast of the net, at which they are rewarded with a great catch (or "draught," as in "haul" or "weight"). Either is thus sometimes called a "miraculous draught of fish."

In the Gospel of Luke (Luke 5:1-11), the first miraculous catch of fish takes place early in the ministry of Jesus and results in Peter as well as James and John, the sons of Zebedee, joining Jesus vocationally as disciples.

The second miraculous catch of fish is also called the "miraculous catch of 153 fish," and seems to recall the first catch. It is reported in the last chapter of the Gospel of John (John 21:1-14) and takes place after the Resurrection of Jesus.

In Christian art, the two miracles are distinguished by the fact that in the first miracle Jesus is shown sitting in the boat with Peter, while in the second miracle he is standing on the shore.

<sup>6</sup> Savior gods born on December 25<sup>th</sup> include Horus, Attis, Hercules, Dionysius, Bacchus, Helios, Apollo, Mithras, and Jesus.

Osiris' penis supposedly eaten by a fish in the Nile River. This myth is considered one of the most important myths in the Egyptian lexicon.

So, Osiris was cut into fourteen pieces, a fish ate his penis and Isis only found thirteen pieces - thirteen and fourteen. These numbers - thirteen and fourteen - found in this myth and riddle have a direct mathematical parallel that reveals an important phenomena in our number line related to the infinite and transcendental number of "pi" -  $\pi$  - as well as to the number "42" - with the number "42" being a number of high occult significance.

When we walk up our number line - 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, and 15... - if you notice you can establish the first five digits of "pi" being 3.1415 in these three numbers (13, 14, 15) as they unfold in our number line. But that's not all! When we add these three numbers ( $13 + 14 + 15 = 42$ ) together they equal the number "42." And 42 is the number of principals in the Egyptian Ma'at.<sup>7</sup>

Why "42"? It is found right in our number line right where we find "pi."

$$\pi=3.1415$$

"42" is also known as the answer to the "mystery of life" according to Douglas Adam's *"Hitchhiker's Guide to the Galaxy"* - and "42" is also the number which God used to create the world in Kabalistic study.

If you mirror and square the first few numbers walking out of the base ten system, you will find that these numbers mirror themselves all the way up to the number "14" - so when we mirror these numbers and square them, we find:

$$\begin{array}{ll} 11^2 = 121 & 121 = 11^2 \\ 12^2 = 144 & 441 = 21^2 \\ 13^2 = 169 & 961 = 31^2 \end{array}$$

And this is where the mirroring stops! at the number "14".

$$14^2 = 196 \quad 1681 = 41^2$$

Why is this significant? because this is where the decimal place in "pi" is established - between the numbers "13" and "14" - right where the mirroring stops. Hence the significance of the number "14."

Aleister Crowley

<sup>7</sup> Maat or Ma'at was the ancient Egyptian concept of truth, balance, order, harmony, law, morality, and justice.

Written at least 2000 years before the **Ten Commandments** of Moses, the **42 Principles of Ma'at** are one of the world's oldest sources of moral and spiritual instruction, such as, these declarations from the *Book of Coming Forth By Day* (the so-called *Book of the Dead*), *The Teachings of Ptah-Hotep*, the writings of Ani, Amenemope, Merikare, and others.

One aspect of ancient Egyptian funerary literature which often is mistaken for a codified ethic of Ma'at is Chapter 125 of the *Book of the Dead*, often called the **42 Declarations of Purity or the Negative Confession**. These declarations varied somewhat from tomb to tomb, and so can not be considered a canonical definition of Ma'at. Rather, they appear to express each tomb owner's individual conception of Ma'at, as well as working as a magical absolution (misdeeds or mistakes made by the tomb owner in life could be declared as not having been done, and through the power of the written word, wipe that particular misdeed from the afterlife record of the deceased).

This process of mirroring - reading things backwards and forwards and the like - was something lauded by famed occultist and member of the Order of the Golden Dawn, **Aleister Crowley**.

Let him train himself to think BACKWARDS by external means, as set forth here following:

- (a) Let him learn to write BACKWARDS.
- (b) Let him learn to walk BACKWARDS.
- (c) Let him... listen to phonograph records REVERSED.
- (d) Let him practice speaking BACKWARDS.
- (e) Let him learn to read BACKWARDS.
- (f) Instead of saying "I am he" let him say "eh ma I."

[According to *Magick: Libre ABA*, Book Four, 1994 Ordo Templi Orientis edition, page 639, by Aleister Crowley.]

The process of mirroring is essential to the practices of the occult.

A B C D E F G H I J K L M  
N O P Q R S T U V W X Y Z  
1 2 3 4 5 6 7 6 5 4 3 2 1

So we find this very significant number "14" written on John Podesta's right hand... which is interesting because "right hand" written in English gematria is: R = 5, I = 5, G = 7, H = 6, T = 7, H = 6, A = 1, N = 1, and D = 4... or,  $5 + 5 + 7 + 6 + 7 + 6 + 1 + 1 + 4 = 42$ .

The same as  $13 + 14 + 15 = 42$  - and "pi" and the number line - and the 42 principles of the Egyptian Ma'at. It's very interesting to note that in Biblical scripture the amount of times that you read references to "sitting at the right hand of the Father." A few notables are:

**1 Peter 3:22** - Who is gone into heaven, and is on the right hand of God; angels and authorities and powers being made subject unto him.

**Acts 5:31** - Him hath God exalted with his right hand to be a Prince and a Savior, for to give repentance to Israel, and forgiveness of sins.

**Acts 2:33** - Therefore being by the right hand of God exalted, and having received of the Father the promise of the Holy Ghost, he hath shed forth this, which ye now see and hear.

**Luke 22:69** - Hereafter shall the Son of man sit on the right hand of the power of God.

1 Peter 3:22, Acts 5:31, Acts 2:33, and Luke 22:69 all reference sitting at the right hand of the Father. The esoteric reason that the Father sits on the right side is that when you face north, or towards the "pole star" *if you will*, the sun rises in the east, or, in other words, it rises on your right side. And hencewise so many religions will pray to the east... because that's where the sun rises to announce the glory of a new day.

The fish on John Podesta's left hand is known in astrology to be Pisces, and is referenced in the womb where the fish is illustrated - or the "vesica piscis." Piscis = Pisces. Pisces in English gematria equals "28" - P = 3, I = 5, S = 6, C = 3, E = 5, and S = 6... or,  $3 + 5 + 6 + 3 + 5 + 6 = 28$ . And, thus, if we add the "14" on Podesta's right hand with the "28" on his left hand we find, yet again, the number "42."

Now this last point is where we hit the pedal to the metal and where the rubber meets the road, so to say... - remember where we discussed that the fish in the Hebrew alphabet is known as "Nun," which is phonetically identical to the English word "none," meaning "nothing" or "zero" or "no thing." When we use the septuary system on the word "zero," meaning "none," through the words "fourteen," the most astonishing number is revealed:

Zero - Z = 1, E = 5, R = 5, and O = 2.

One - O = 2, N = 1, and E = 5.

Two - T = 7, W = 4, and O = 2.

Three - T = 7, H = 6, R = 5, E = 5, and E = 5.

Four - F = 6, O = 2, U = 6, and R = 5.

Five - F = 6, I = 5, V = 5, and E = 5.

Six - S = 6, I = 5, and X = 3.  
 Seven - S = 6, E = 5, V = 5, E = 5, and N = 1.  
 Eight - E = 5, I = 5, G = 7, H = 6, and T = 7.  
 Nine - N = 1, I = 5, N = 1, and E = 5.  
 Ten - T = 7, E = 5, and N = 1.  
 Eleven - E = 5, L = 2, V = 5, E = 5, V = 5, E = 5, and N = 1.  
 Twelve - T = 7, W = 4, E = 5, L = 2, V = 5, and E = 5.  
 Thirteen - T = 7, H = 6, I = 5, R = 5, T = 7, E = 5, E = 5, and N = 1.  
 Fourteen - F = 6, O = 2, U = 6, R = 5, T = 7, E = 5, E = 5, and N = 1.

Just as it's written on John Podesta's right hand... and "Nun" or the "fish" or "none" or "zero" is drawn on his left hand. When we put the numbers to the letters of the words "zero" through "fourteen" a most astonishing number is revealed - we reveal the number "327."

Zero or  $1 + 5 + 5 + 2 = 13$ .  
 One or  $2 + 1 + 5 = 8$ .  
 Two or  $7 + 4 + 2 = 13$ .  
 Three or  $7 + 6 + 5 + 5 + 5 = 28$ .  
 Four or  $6 + 2 + 6 + 5 = 19$ .  
 Five or  $6 + 5 + 5 + 5 = 21$ .  
 Six or  $6 + 5 + 3 = 14$ .  
 Seven or  $6 + 5 + 5 + 5 + 1 = 22$ .  
 Eight or  $5 + 5 + 7 + 6 + 7 = 30$ .  
 Nine or  $1 + 5 + 1 + 5 = 12$ .  
 Ten or  $7 + 5 + 1 = 13$ .  
 Eleven or  $5 + 2 + 5 + 5 + 5 + 1 = 23$ .  
 Twelve or  $7 + 4 + 5 + 2 + 5 + 5 = 28$ .  
 Thirteen or  $7 + 6 + 5 + 5 + 7 + 5 + 5 + 1 = 41$ .  
 Fourteen or  $6 + 2 + 6 + 5 + 7 + 5 + 5 + 1 = 37$ .

$13 + 8 + 13 + 28 + 19 + 21 + 14 + 22 + 30 + 12 + 13 + 23 + 28 + 41 + 37 = 322$ .

Most of us conspiracy theorists are familiar with the number "322" - as it is found prominently on the Yale secret society of the Skull & Bones logo:

Yale secret society of the Skull & Bones logo

What's more - "fish" in English gematria equals 23 - as F = 6, I = 5, S = 6, and H = 6 and  $6 + 5 + 6 + 6 = 23$ . Thus giving us two numbers - "23" and "14." And  $14 \times 23 = 322$ .

So here we have John Podesta clearly expressing deep occult knowledge - and all he is doing is raising his hands and putting a fish on one and the number "14" on the other... and those that know what he is saying will know exactly what he is saying! And those of us who don't (or didn't) know, like you and I, who were never invited to their club - and they never wanted us (and don't want us) in their club.

The important thing to remember - and this is the point that I like to reiterate all the time - is that dark magic, black magic, Satanism, demon-worshipping, and sadistic occultism, whatever kind of terminology you want to use to describe it... - the important thing to remember is that the most egregious and vile actions one can take... it can take that which is pure, good, beautiful and sacred and pervert it... and distort it... and destroy it.

These people are not just purely engaged in evil acts... of course, they do that stuff to a "tee" as well... but they go far beyond petty offenses and moral violations; they take the pathway to God, the Great Spirit, the knowledge system to understand humanity's connection to it - and they hide it... they corrupt it... they bastardize it - and they keep such knowledge for themselves... so that generationally they can declare themselves as sacred and you (and I) as profane. And this pathway is and always has been right in front of you.

These people by being masters of deception and masters of psychology, using powerful suggestions, word spells, mathematics, and symbols with wicked and insane means and methods, take the light of knowledge, the light of wisdom, the light of truth, the light of the Creator Itself and mask it. And in return present you with lies and deceit. And they do all this secretly so that no one suspects a thing.

Their power is to trick you into believing that the wicked ideologies that they embrace behind the scenes don't even exist.

"The greatest trick that the devil ever pulled was convincing the world that he didn't exist."

Don't think that all this evil is strictly coming from the "left," the Democrats and the Liberals solely... may I remind you that **John Kerry** and **G.W. Bush** were both "Bonesmen," or members of the Yale secret society the Skull & Bones.

A good thing to remember is that evil has no allegiance! except to itself.

Dark magicians and dark occultists run our world - and the sooner we come to realize this the better off humanity is going to be. It's a hard thing to accept. It's a hard thing to stomach. It's a bitter pill to swallow. But we need to recognize this for our own proliferation and for the proliferation of true spirit here upon this earth.

There are very twisted, very sinister people that work in concert behind the scenes to perpetuate a very disturbing, very immoral, and downright evil agenda... and we as humanity need to stop this! It is literally "in our hands."

The late, great comedian George Carlin does a great job summing up this whole phenomenon:

"... cuz they own this fuckin' place! It's a big club... and you ain't in it. You and I are not in the big club. By the way it's the same big club they use to beat you over the head with all day long when they tell you what to believe. All day long beatin' you over the head with their media telling you what to believe... what to think... and what to buy. The table is tilted, folks... the game is rigged."

George Carlin

Well, let me just say this to John Podesta and Hillary Clinton and the corrupt people at the DNC, the globalists, and whoever else you were all working with... guess what!? I'm not interested in being part of your club and whatever disgusting and sick shit you and your ilk like to do. No thanks. I want to see you and your crimes against humanity exposed... and I like so many others, want everyone else involved in your schemes to be brought forward with appropriate justice served.

People have asked me before, "What do you think that these people are doing?" "What kind of sick stuff goes on underground? and behind closed doors?" And my response is always: "I have no idea! I'm not a psychopath... couldn't tell you."

To address you directly, John Podesta, I don't know what kind of blood rituals or "spirit cooking" or pedophile rings you may be involved with... but I do know the deep and rich significance of the symbol and number on your hands. So I'm going to use my hands - this template for universal mathematics to spread knowledge, wisdom, light, and love.

So Johnny... the next time I see you with your hands up... I really hope it's proceeded by "Your under arrest!"

"If you are what you should be... you will set the world ablaze."
